1

Ta ut batteriet, monter gjengebolten og skru den godt fast.

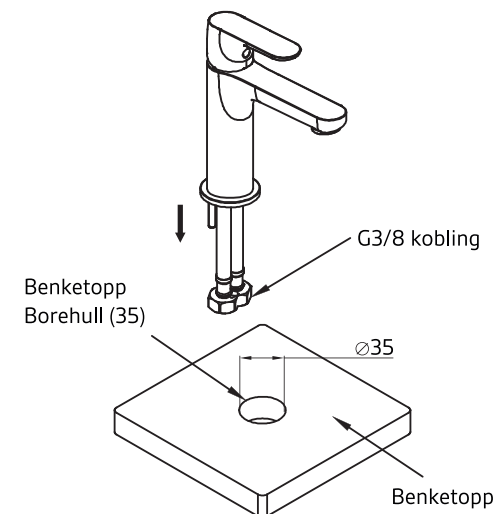

2

Sett inn de fleksible slangene og skru dem godt fast.

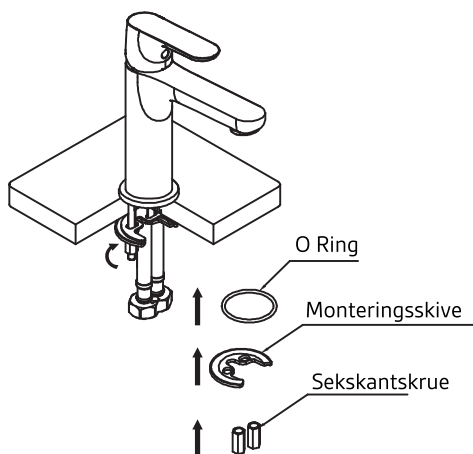

3

Tre slangene gjennom servanten eller benkeplaten.

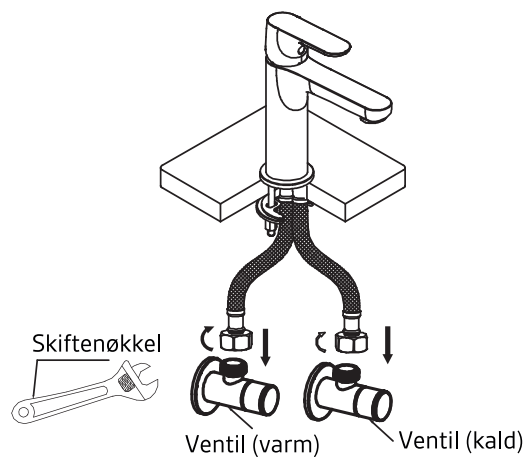

4

Sett mutteren på gjengebolten og skru den fast.

5

Koble de fleksible slangene til vinkelventilene.
Forsiktig! Koble de fleksible slangene til korrekt: varm slange til varm vinkelventil, kald slange til kald vinkelventil.

6

Åpne vinkelventilene og sjekk at vannet renner som det skal.
